John Grey Painting Supports 10K Race 4 F.I.S.H. as Silver Sponsor

John Grey Painting has been renovating decorating and painting homes and businesses for nearly 50 years. Veteran painter John Grey and his team of experts are delighted to continue supporting their community through the 10K Race 4 F.I.S.H. as a Silver Sponsor.

“We have been a part of this community for many years, and our organizations like F.I.S.H. of SANCAP make it a great place to live and work,” said Grey, a member of The Sanibel-Captiva Rotary Club and supporter of several local organizations. “The 10K race is a well-organized event for a worthy cause.”

The construction trade has been in the Grey family for many years. John Grey started painting in the late 1960s when his parents bought and refurbished a two-story beachfront hotel on Fort Myers Beach. It remains a family trade handed down to Grey's two sons, Derrick and Nate, who are equal partners in the business.

The professional team includes color consultants, craftsmen and formally trained decorative artists able to give guidance to any renovation, decorating or painting project. John Grey Painting is best known for its decorative Faux finishes, murals and patterned floors. However, they do molding, decks, rails, stairs and doors.

“If it doesn't move, we can paint it,” said Grey. “We can also do repair work to cabinets, decks, stairs, door trim and fix rot, insect and bird damage.”

Contact John Grey Painting by phone at 239-472-0590 or at 695 Tarpon Bay Rd., Sanibel. The 10K Race, in its ninth year, is set for Saturday, Oct. 28 at Sanibel Community House. Anyone interested in becoming a sponsor should contact Nancy and Pete Bender at 239-472-5220 or benderlaw@juno.com.
